

# Summary/Conclusions

Judith Senderowitz

African Regional Forum on YRH and HIV/AIDS

9 June 2006

# Emphasis on Solutions/Practical Concerns

- We know, we're learning, so let's go!
- Missed opportunities (right before our eyes)
- Don't reinvent the wheel; build on what's there
- Making the most of it....
- This workshop: power of a critical mass disseminating ideas...and ownership

# Integration and Linkages

- ARH and schools
- RH and HIV
- Sectors, Ministries (Health, Education, Youth)
- Environmental layers (communities, parents)
- Youth/Adult partnerships
- Program/Research

# Program/Research Intersection

- Money splits, insufficiencies
- Who's calling the shots?
- Who declares success and failure – and how?
- Time and timing

# Persistent Challenges

- Reaching vulnerable and hidden youth
- Gender equity, awareness and changing norms
- Coordinating multisectoral programs
- Sustainability, Scaling up
- Political winds and political will
- Time and money
- Poverty
- Why do we go on meeting like this?

Thank you!

See you at the next meeting.....
