

-
- 3:20-3:40P **Effectiveness and complications associated with two vasectomy techniques**
Michel Labrecque, MD, PhD
Professeur Titulaire, Departement de Medecine familiale
Universite Laval
- 3:40-4:00P **Experience with cautery from the Elliot Smith Clinic**
Edward Streeter, BM, BCh, MRCS
Clinic Surgeon, Elliot Smith Clinic
- 4:00-4:20P **Time to azoospermia after simple ligation and excision: Results from an FHI/EngenderHealth/IMSS study in Mexico City**
Mark Barone, DVM, MS
Research Program Manager, EngenderHealth
- 4:20-4:40P **Ligation and excision with versus without fascial interposition: Interim data from a randomized clinical trial**
David Sokal, MD
Associate Medical Director, FHI
- 4:40-5:30P **DISCUSSION: What is vasectomy failure and what factors into vasectomy success?**
- 5:30 til 7P **FREE TIME**
- 7:00 PM **DINNER**

THURSDAY, 19 APRIL, 2001

SESSION II (Cont'd): RECENT VASECTOMY RESEARCH

Moderator: David Sokal, MD
Associate Medical Director, FHI
EngenderHealth

Rapporteur: Mark Barone, DVM, MS
Research Program Manager,

- 8:45-9:00A **Persistent sperm and post-vasectomy pregnancies in Nepal**
Hanif Nazerali, MPH
Senior Research Associate, FHI
- 9:00-9:15A **Spousal Pregnancy after vasectomy in China: Findings from a national survey**
Charles Chen, PhD
Demographer, CDC
- 9:15-9:30A **CREST cohort: pregnancies after female sterilization and after vasectomy**
Caroline Costello, MPH
Health Care Analyst, CDC
- 9:30-10:00A **DISCUSSION: What do these data mean?**
- 10:00-10:15A **MORNING BREAK**
-

SESSION III: IMPLICATIONS OF RECENT VASECTOMY RESEARCH FINDINGS

Moderator: Herbert B. Peterson, MD
Medical Director, WHO

Rapporteur: David Sokal, MD
Associate Medical Director, FHI

- 10:15-10:30A **Improving access and acceptability of post-vasectomy semen testing
(facilitated discussion)**
Susan Rothman, PhD, HCLD, CLC Charles Muller, PhD, HCLD
President, Fertility Solutions Inc. Director, Male Fertility Laboratory
- 10:30-10:50A **What to tell men about vasectomy effectiveness during counseling
(facilitated discussion)**
John M. Pile, MPH
Senior Director, Programs, EngenderHealth
- 10:50-11:15A **Planning for dissemination of findings (facilitated discussion)**
Elizabeth Robinson, MS Herbert B. Peterson, MD
Associate Director, FHI Medical Director, WHO

SESSION IV: FUTURE RESEARCH

Moderator: Amy Pollack, MD, MPH
President, EngenderHealth
EngenderHealth

Rapporteur: Mark Barone, DVM, MS
Research Program Manager,

- 11:15-11:30A **FHI/EngenderHealth research strategies**
Laneta Dorflinger, PhD
Vice President, Clinical Research, FHI
- 11:30-11:45A **Multicenter RCT of cautery versus another method**
Belinda Irsula
Senior Clinical Research Associate, FHI
- Nepal RCT of cautery versus another method**
Hanif Nazerali, MPH
Senior Research Associate, FHI
- 11:45-12:00A **Demo of Cautery Devices**
David Sokal, MD
Associate Medical Director, FHI
- 12:00-12:15P **The potential for reuse of disposable cautery tips**
Glenn Austin, BSID
Senior Technical Officer, PATH
- 12:15-12:30P **Vas irrigation**
PRK Reddy, PhD
Senior Research Associate, FHI
- 12:30-1:30P **LUNCH BREAK**

SESSION V: BREAK-OUT SESSIONS

Moderator: Laneta Dorflinger, PhD
Vice President, Clinical Research, FHI

Rapporteur: David Sokal, MD
Associate Medical Director, FHI

1:30-1:40P **Organize Break-out Sessions & Room Assignments**

1:40-3:00P **Group Discussions** (Each group will discuss two topics)

(A) Improving Vasectomy Effectiveness (**Techniques**)

(B) Measuring Effectiveness (**Endpoints**)

Group 1: (Conference Room 4th Floor)

Moderator: Jeffrey Spieler, MSc
Chief, Research Division, USAID

Topic A

Topic B

Rapporteurs: Christina Wang, MD
Harbor-UCLA Medical Center

John M. Pile, MPH
Senior Director, Programs, EngenderHealth

Group 2: (Conference Room 4th Floor)

Moderator: Herbert Peterson, MD
Medical Officer, WHO

Topic A

Topic B

Rapporteurs: Steven Kaufman, MD, MS
Medical Officer, NIH
EngenderHealth

Mark Barone, DVM, MS
Research Program Manager,

3:00-3:15P **AFTERNOON BREAK**

3:15-4:45P **Groups 1 & 2 Reportings/Discussions**

(10 min. reporting/ 5 min.
discussion/ per topic/ per group)

4:45-5:00P **Summation/Next Steps**
David Sokal, MD
Associate Medical Director, FHI

5:00-5:15P **Closing Remarks/Adjournment**
Laneta Dorflinger, PhD
Vice President, Clinical Research, FHI
